30th April 1959]

APPENDIX XII.

[Vide answer to starred question No. 301 asked by Sri S. Lazar at the meeting of the Legislative Assembly held on 30th April 1959, page 722 supra.]

Statement.

The Pablo-type fishing boats specially devised by the Food and Agriculture Organisation Experts to suit the coastal conditions of this State are constructed and fitted with marine diesel engines and are supplied to Fishermen Co-operatives and groups of fishermen at concessional prices. The boats are sold to them at 50 per cent of the cost of the engine and 75 per cent of the cost of hull and this reduced cost is recovered in easy monthly instalments. Nylon nets are also supplied to them. Steps have been taken to establish a permanent boat building yard at Royapuram to render service for repairs, etc. Fishing harbours are proposed to be constructed at suitable river mouths for anchorage of these boats. Orders have already been issued for the construction of a fishing harbour at Cuddalore. Training for fishermen in the operation of mechanised crafts is also being given at two centres at Nagapattinam and at Tuticorin. Fishermen Co-operative Societies and Federations and Private parties are encouraged to mechanise themselves by recommending them to the Government of India for the issue of import licence to them for the import of marine diesel engines and Nylon twine, etc.

APPENDIX XIII.

[Vide answer to starred question No. 316 asked by Sri P. G. Manickam at the meeting of the Legislative Assembly held on 30th April 1959, page 729 supra.]
